Hi Jim.

I was hoping to avoid having you come out but the defense is forcing the issue. I have alerted the court that you will not be available until about 1130 on Monday. I wanted to save you the trip and have you come Tuesday, but the trial will not last that long. I'm sorry. His certificate of analysis numbers are [REDACTED]

Thank you again.

Marianne

Hi Marianne,

I'm not at the Lab today, mandatory training. I will need to get my notes, technical papers and chain of custody for court Monday. If you email me the certificate of analysis number, I can get them ready Monday morning. Probably can't make court till 11:00 or 12:00. I have 4 cases scheduled in Berkshire District Court for Tuesday the 27<sup>th</sup>. That would be easier for me.

Thanks,

Jim Hanchett

Hi.

The above captioned matter has been called to trial tomorrow in Berkshire County Superior Court. (Surprising all of us!) Would you be available to testify on Monday morning in this matter?

I am sorry for the last minute notice. Thank you in advance for your assistance.
